Some services may require prior authorization. To get a complete list of services we cover, including those that require prior authorization, please review the “Evidence of Coverage.” You can find this document on our website at connecticare.com/medicare, or call us and we’ll send you a copy.

Who can join?

To join a **ConnectiCare Choice Plan 1 (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in **Connecticut**: Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland, and Windham.

Which doctors, hospitals, and pharmacies can I use?

ConnectiCare Choice Plan 1 (HMO) has a network of doctors, hospitals, pharmacies, and other providers. Except in emergency, urgent care situations or out-of-area dialysis, if you use providers that are not in our network, we may not pay for these services.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at connecticare.com/medicare. Or, call us and we’ll send you a copy.

In most situations you must use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. You can see our plan’s provider or pharmacy directories on our website at connecticare.com/medicare. Or, call us and we’ll send you a copy.

Chemotherapy drugs and other Part B drugs

We cover Part B drugs such as chemotherapy and some drugs administered by your doctor.
(may require approval)

Step therapy may be required for some Part B drugs.

10% of the cost for Medicare-covered Part B drugs **in the home**

20% of the cost for Medicare-covered Part B drugs **dispensed at a retail pharmacy, mail order pharmacy, physician office, and outpatient facility**

Medicare Part D Drugs

Our plan groups each drug into one of six “tiers” (levels). You will need to use the formulary (list of covered drugs) to locate what tier a drug is on. How much you pay for your prescription drugs depends on what tier your drug is in and what stage of the benefit you are in. There are four stages in your Part D prescription drug coverage.

Four Stages of Drug Coverage

Deductible

The deductible is the amount you pay before your plan starts to pay. This deductible is for retail and home delivery.

There is no deductible for Tier 1 (Preferred Generic), Tier 2 (Generic), and Tier 6 (Select Care Drugs). There is a deductible for Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drugs), and Tier 5 (Specialty) drugs.

Initial Coverage

After you’ve reached the deductible, you’ll enter the initial coverage stage.

In this stage, you and the plan share the costs of some of the covered drugs until your total drug costs, including deductible, reach \$4,660. The total drug costs paid by both you and our Part D plan will help you reach the coverage gap.

Retail Cost-Sharing

ConnectiCare Choice Plan 1 (HMO) — 30-Day Supply of Drugs					
Tier	Deductible	Initial Coverage \$0-\$4,660		Coverage Gap \$4,660-\$7,400	Catastrophic Over \$7,400
	You Pay	Preferred pharmacy	Standard pharmacy	You pay	You pay the greater of:
Tier 1: Preferred Generic	\$0	\$2	\$9	\$2/\$9*	5% or \$4.15
Tier 2: Generic	\$0	\$10	\$20	\$10/\$20*	5% or \$4.15
Tier 3: Preferred Brand**	\$300	\$42	\$47	25%	5% or \$10.35
Tier 4: Non-Preferred Drugs		\$95	\$100	25%	5% or \$4.15 for generic/preferred multi-source drugs 5% or \$10.35 for all other drugs
Tier 5: Specialty		27%	27%	25%	5% or \$4.15 for generic/preferred multi-source drugs 5% or \$10.35 for all other drugs
Tier 6: Select Care Drugs	\$0	\$0	\$0	\$0	5% or \$4.15 for generic/ preferred multi-source drugs

*Cost-share at a preferred pharmacy/standard pharmacy

**\$35 for Insulins and \$0 eligible vaccines with no deductible

Preferred Mail Order Cost-Sharing

ConnectiCare Choice Plan 1 (HMO)			
Tier	Deductible	Initial Coverage \$0-\$4,660	
	You pay	30-day supply	90-day supply
Tier 1: Preferred Generic	\$0	\$0	\$0
Tier 2: Generic	\$0	\$0	\$0
Tier 3: Preferred Brand*	\$300	\$42	\$126
Tier 4: Non-Preferred Drugs		\$95	\$285
Tier 5: Specialty		27%	Not available in a long-term supply
Tier 6: Select Care Drugs	\$0	\$0	\$0

*\$35 for Insulins and \$0 eligible vaccines with no deductible for 30-day supply

If you live in a long-term care facility or use a non-preferred mail order pharmacy, you pay the same as at a standard retail pharmacy.

Coverage Gap

The coverage gap (also called the “donut hole”) starts after the total yearly drug cost (along with what our plan has paid and what you have paid) exceeds \$4,660.

In this stage, you continue to pay \$0 for Select Care Drugs in Tier 6, and same copays you paid in the Initial Coverage stage for Tier 1 and 2 drugs. You will pay 25% of the costs for all other drugs.

The 70% discount for brand-name drugs paid by the drug manufacturer, combined with the 25% you pay, counts toward your true out-of-pocket (TrOOP) costs. This helps you get out of the coverage gap. Not everyone will reach the coverage gap.

Catastrophic Coverage

After your yearly true out-of-pocket (TrOOP) drug costs exceed **\$7,400**, you will enter the catastrophic coverage stage. In this stage, you pay the greater of: 5% of the cost or you pay **\$4.15** for generic drugs (including brand-name drugs treated as generic) and **\$10.35** for all other drugs.

Extra Help is a free Medicare program and is known as Low-Income Subsidy (LIS). It helps people with low or limited income and resources pay Medicare Part D drug plan costs.

What do you get with Extra Help?

- Payment of 75% or more of your drug costs. These include your monthly premium for prescription drugs (**the amount you pay each month**).
- Payment of your annual deductible (**the amount you pay before your plan starts to pay**).
- Payment of coinsurance costs (**the percentage you pay for your prescription drugs**).
- No coverage gap.

You automatically qualify for Extra Help if:

- You have full Medicaid coverage.
- You get help from your state Medicaid program to pay your Part B premiums in a Medicare Savings Program.
