

For individual plan members

Your FlexPOS plan gives you a nationwide network of care

You can get in-network care from health care providers who belong to the First Health® national network. You can also use pharmacies in the nationwide Express Scripts network.

So, wherever you go in the United States, you can find:

- Doctors and specialists
- Pharmacies
- Hospitals
- Radiology centers, labs, and other facilities

Plus, you have emergency coverage worldwide.*

**Exclusions and limitations may apply.*

Telemedicine travels too.

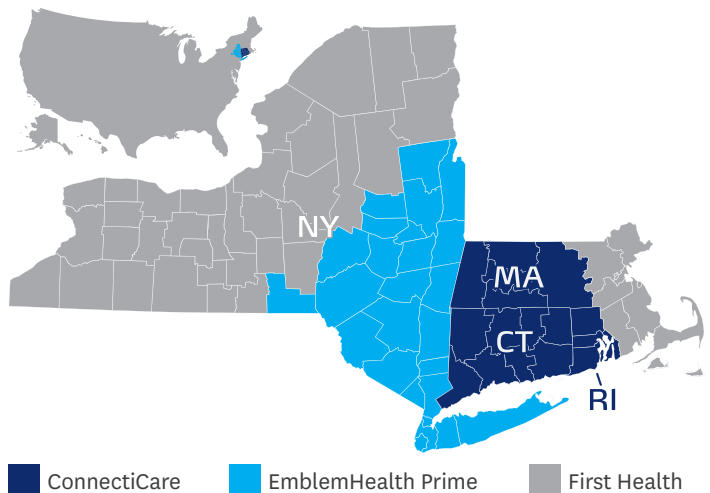

With Teladoc® Primary360, you have access to virtual General Medicine, Primary Care, Mental Health Services, and Dermatology from anywhere.**

Call **800-835-2362**, visit **teladoc.com/connecticare**, or download the Teladoc mobile app.

**Telemedicine is not appropriate for all covered services, and restrictions apply. For primary care, members must be age 18 or older; for mental health services, you must be age 13 or older.

More on our networks

ConnectiCare and its parent company, EmblemHealth, manage networks of doctors and facilities in the areas of Connecticut, New York, Rhode Island, and Massachusetts shaded on this map. Beyond those areas, you would utilize the First Health Network to receive in-network benefits.

 **First Health® Network**
An Aetna subsidiary

ConnectiCare

To find a doctor in the United States

Go to **Find a Doctor** and then **Find Care** on **my.connecticare.com**. Select **Search by Network or Plan**. Choose the **Through Access Health CT** category at the top and select **FlexPOS** to view in-network providers. From here, you'll be able to choose from a variety of different health care professionals.
